PROTOCOL FOR ANSWERING ANIMAL BITES AND/OR SCRATCHES

Obtain the following information:

- Victims name, age and address
- Animal owner name and address (if applicable)
- Animal description and health information (if available)
- Incident details
- Animal vaccination status
- Exposure information and treatment

Once information is acquired, contact area Health Department.

If event occurs on a weekend or holiday, contact the Environmental Health Specialist on call immediately.

GOALS:

- Treat all bites and scratches as if the skin of the victim has been broken
- Keep the ten (10) day window of reporting animal bites and scratches open by reporting all incidents as soon as vital information has been obtained
