CERTIFICATION REQUIREMENT FOR 2016 PERSONAL PROPERTY TAX RELIEF (PPTRA)

The Personal Property Tax Relief Act provides tax relief for passenger cars, motorcycles, and pickup or panel trucks having a registered gross weight of 10,000 pounds or less. **Motor homes, trailers and farm use vehicles DO NOT QUALIFY** for tax relief.

Beginning January 1, 2003 to qualify for PPTRA vehicle owners will be **required to certify annually** the **use** of the vehicle to be either **personal or business**.

To qualify, a vehicle must:

- be owned by an individual or leased by an individual under a contract requiring the individual to pay the personal property tax; AND
- be used 50% or less for business purposes

DOES YOUR VEHICLE QUALIFY FOR CAR TAX RELIEF?

If you can answer **YES** to any of the following questions, your motor vehicle is considered by State Law to have a business use and **DOES NOT** qualify for Car Tax Relief:

- Is more than 50% of the mileage for the year used as business expense for Federal Income Tax purposes OR reimbursed by an employer?
- Is more than 50% of the depreciation associated with the vehicle deducted as a business expense for Federal Income Tax purposes?
- Is the Cost of the vehicle expensed pursuant to Section 179 of the Internal Revenue Service Code?
- Is the vehicle leased by you and the leasing company pays the tax without reimbursement from you?

If you are uncertain whether your vehicle would be eligible for car tax relief because it is used part of the time for business purposes, contact the Commissioner of the Revenue's Office at (757) 294-5225.

The Board of Supervisors will set the PPTR percentage that will be granted for qualified vehicles during each annual budget hearing.

PERSONAL PROPERTY TAX RELIEF (PPTR) CHANGES

The maximum qualifying gross weight restriction for pickup and panel trucks was increased from 7,501 lbs. to 10,000 lbs. Under new legislation, privately owned, non-business, personally used pickup and panel trucks registered as passenger vehicles with DMV may be eligible for PPTR.
