July 25, 2013

Dear Community Partner:

The Surry County Office on Youth in collaboration with Klassy Phenomenal Divaz Social Club are preparing to give students the supplies they may need to get the school year started right.

This year's "Back to School Drive" will be held **July 25-August 16, 2013**. Interested individuals and groups are asked to purchase recommended supplies and drop them off at the Surry County Office on Youth located at 203 Church Street, Surry, VA.

The main school supplies needed include loose-leaf paper, #2 pencils, pencil cases, loose erasers, pens, crayons/markers, single/multi subject notebooks, 3 & 4 inch binders, highlighters, pencil sharpeners, folders of any style, and book bags. Although those are the supplies most needed, any donation will be appreciated. This year, we are also requesting donations for personal hygiene products (i.e. toothpaste, toothbrushes, soaps, lotions, hand sanitizers, antiperspirants, baby wipes, personal tissues, etc.), socks of all sizes, and educational books for preschool readers and early literacy programs.

School supplies will be given away at the "Block Party" scheduled on August 23, 2013 in the parking lot of the Office on Youth.

Churches, organizations, and businesses are encouraged to support this drive. Anyone interested in donating or would like more information on this special project are asked to contact the Office on Youth or number above.

Sincerely,

Sophena H. Pierce  
Director, Office on Youth
