

Minutes of the Surry County Electoral Board
February 5, 2021

The meeting was called to order at 10:14 AM. Persons present were Howell Godfrey, Chairman; Judith Giorgio, Secretary; Sharna White, Registrar and Claire Steen, Deputy Registrar. Lynita Mason was present as an observer as her appointment paperwork has not been fully processed for her new term.

Sharna provided the list of OOE appointments for 2020 as neither the Republican or Democrat county representatives provided an updated list of appointees for 2021. After discussion, there were some changes made to the list and both Howell and Judith agreed to the appointments. The list of 2021 appointments is attached. Sharna will mail out the appointment paperwork.

There was discussion regarding the hazard pay from 2020. It was decided that Sharna would draft a letter of explanation for the OOE and include it with the paperwork.

There has been no movement from the Surry Board of Supervisors regarding the merging of Wallsbridge and Dendron and the merging of Claremont and Spring Grove. Sharna will follow up with them. Mt. Nebo is still not open. Judith suggested that perhaps the Bacon Castle voting precinct could be moved permanently to the Bacon's Castle Baptist Church. The EB will discuss at a later date.

There will be a Democratic Primary in June and a General Election in November.

The EB reviewed the budget and expenses for 2020 into 2021 and all appeared in order.

With no more items for discussion, the meeting was adjourned.
